

## A Hot Weather Warning

In feeding babies and children it is impossible to overestimate the importance of pure milk. This is particularly so during protracted hot weather such as we are now having. The milk we supply is from certified cows, fed on rich alfalfa, and every dairy is kept in perfect sanitary condition. Every precaution is exercised to prevent contamination between the milking and delivery. Every bottle is automatically sealed. Every ounce of milk is electrically treated.

THE MILK WE DELIVER IS ABSOLUTELY PURE AND RICH IN FOOD VALUE.

## SICK DAUGHTER NOW WELL

Mrs. C. Cole Tells How Her Daughter Was Restored to Health by Lydia E. Pinkham's Compound.

Fitchville, Ohio.—"I take great pleasure in writing to thank you for what your medicine has done for my daughter."

"Before taking your medicine she was all run down, suffered from pains in her side, could not walk but a short distance at a time, and had severe pains in head and limbs. She came very near having nervous prostration. She had begun to cough a good deal and seemed melancholy by spells. She tried two doctors but got little help. I cannot find words to express my gratefulness for what Lydia E. Pinkham's Vegetable Compound has done for my daughter. She feels and looks like another girl since taking it, and I shall always feel that I owe you a great debt. You can use this letter for the benefit of others if you wish, as I shall always recommend your medicines for female troubles."—Mrs. C. COLE, Fitchville, Ohio.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.
